**Community Choice
Energy Alliance**

The National Voice for Affordable, Clean, & Reliable Power

WE ARE THE NATION'S PREMIERE HUB FOR

information, networking, data, and
education on Community Choice
Aggregation (CCA) since 2011

2,200+

local governments
have enabled CCA
locally

~12 million

customer accounts
served by CCAs
across 8 states

CCAs REPRESENT

more than 8%

of total U.S. residential
power consumption

CCA IS ONE OF THE MOST POWERFUL LOCAL POLICY TOOLS

that local governments can use to drive energy independence, protect consumers, prioritize competitive pricing, and develop local economic benefits.

85-95%

average customer
participation
across all CCA
programs

6%

Average range: 2-25%

nationwide CCA
savings vs. utility
baseline

CCA LEGISLATION IS ENABLED IN

11 states

And more are on the way
